

LEVEL NEWSLETTER Grade 1/2

WEEK 6&7	TERM 1	UPCOMING BIRTHDAYS <u>March</u>
Beginning:		Luke G- 6th March Kayasha E- 6th March Trent N-18th March Eleanor B-24th March Isaac. K-29th March Billy L-30th March
	MONDAY	
	TUESDAY	
	WEDNESDAY	CLASS SPORT (PE)- wear sports uniform. Library books due back
	THURSDAY	
	FRIDAY	LEVEL SPORT-wear sports uniform Assembly 2:45pm
RELIGION 	Lent is a time of change when God helps people to grow to be better. The students are reflecting on what they can do over the next 40 days to help and serve others. The children will continue to add leaves to the 'Lenten Tree of Life' when they are showing acts of kindness for other people or when they are spotted in the classroom making good choices. Over the next two weeks we will also be learning about Palm Sunday and Holy Thursday.	
LITERACY 	Students are learning to identify and define adjectives and match them to common nouns. We are also learning to identify verbs in sentences and add more detail to our sentences by using a variety of verbs.	
MATHS 	We are continuing to learn about Place Value. In grade 1 we are learning to read numerals to 99 and represent them with materials, we are learning to compare and order numbers to 99 (materials and numerals). We are also learning to identify the value of a digit based on its place value and locate numbers to 100 on a 100 chart and number line. In grade 2 we are learning to compare and order three-digit numerals, identify target numbers on a number chart. We are learning to partition three-digit numbers, regroup and rename all of a place value and write the standard/non-standard expanded form.	
INQUIRY 	We are continuing to learn about how food is selected and prepared for healthy eating. We will be exploring in more detail how specific foods get from farm to table. Children will begin to research how their chosen food is processed and prepared.	

Please find the specialist lesson times below for your child's class!
