2022 SCHOOL THEME - 'MAKE A DIFFERENCE'

Dear Parents/Carers,

As you are aware we have a number of staff leaving us at the end of this school year. Please keep in mind the following information -

- 5 staff are either retiring or leaving the profession of teaching
- 3 staff are leaving to work closer to where they live
- 1 staff member is beginning a career in a Secondary School setting

Teaching is not the only profession that has a number of employees moving on at the moment. This change in staffing also means that we will not have as many shared classrooms with 2 teachers. The majority of our classes will have one teacher.

Please be assured that Eithne King and I have interviewed and employed teachers with wonderful references and experience who will enhance our learning community.

Celebrating 2022

In our previous newsletter I shared with you how we have 'Make A Difference' in 2022.

I met with our Staff Leadership Team on Monday and we reviewed staff feedback on the 'difference' we have made in terms of our 4 Year School Improvement Plan and our 2022 Annual Action Plan.

These plans have 4 priority areas which were developed from our External Review last year.

The feedback from our staff is listed below under each priority area.

Priority One

Goal: To build a trusting and rigorous professional learning culture

- Use of professional knowledge of behaviour strategies across all teaching staff
- Team Teach professional learning for all staff
- Student Case Management study - sharing, goals, feedback
- Regular Professional Learning Team Meetings
- Support from Leaders at staff curriculum planning
- Respect each other
- Learning Support Officer/Staff team support
- Staff are accepting of feedback and trust the judgement of leadership

Priority Two

Goal: To enable explicit connections between faith, life and the wider community

- Kindergarten visits
- Class Masses - students reading
- Reinstating Friday morning Mass
- Celebrations of Learning/Grandparents Day/Welcoming Mass
- Parent Welcome Events (Dinner and Drinks)
- Brother and Sister Program (Year 3/4 students)
- Parent helpers in classrooms, at Kid's Cafe and on excursions

Priority Three

Goal: To empower student voice and agency to promote student engagement in learning

- Student voice through Inquiry
- Genius Hour
- Year 6 Leadership Roles
- Students leading Weekly Assembly
- Student Voice in decision making (surveys)
- Catering for different learning styles
- Student learning celebrations made students talk about their learning - more ownership
- Student Representative Council Meetings - presence in classrooms weekly
- School Captains assisting with school tours
- Whole class say in class expectations

- Whole school say in our new 'vision'

Priority Four

Goal: To embed evidence-based pedagogy and practices across the school

- Bump It Up Walls What are Bump It Up Walls?
- Maths - productive struggle (new Maths structure)
- 6 Key Principles of effective teaching
- Guided reading and focus on comprehension
- Different reading strategy used
- Reading (4 resource model)
- Upskilling teachers with new learning structures
- Consistency of teaching across the school
- Effective use of student data - more driven for learning and teaching
- Behaviour Plans
- Personalised Learning Plans for some students
- Math Sprints

2023

Our 2023 school year will continue to focus on these four priorities for teacher/student growth, community building and faith experiences.

The Holy Family School theme for 2023 is 'Belong'. Staff, students and members of our School Advisory Council worked together to develop our new school vision and mission statement which will be launched next year. Our 2023 school theme has been taken from our new vision statement.

2023 Open Classrooms Afternoon

All families and students are invited to attend our 'Open Classrooms' afternoon on Monday 30th January from 2-3pm. This is an opportunity to visit your child's 2023 classroom and meet their 2023 teacher.

2023 Staff Leadership Team

Our Staff Leadership Team for 2023 -

- Principal (Julie David)
- Deputy Principal/Wellbeing Leader (Eithne King)
- Religious Education Leader (Vicky Pejic)

- Learning and Teaching Leader/Maths Leader/Digital Technologies Leader (Jennifer Young)
- Literacy Leader (Natalie Dib)
- Learning Diversity Leader (Jacqui Prosser)

Year 6 2022

I would like to acknowledge and congratulate our 2022 Year 6 students and their families. Some families have had a long and others a shorter association with our school but each family has made an impact on our school community.

Thank you for your support and trust over the years.

I wish each of our incredible Year 6 students all the best as they transition into secondary school. I know that our teachers at Holy Family have prepared these students well. It has been a pleasure to work alongside our Student Leaders this year to ensure that we have a dynamic and safe learning environment for everyone.

School Advisory Council Communication Survey Feedback

Key takeaways and action items

Skoolbag, Operoo and Whatsapp groups are the most popular and most highly valued forms of communication. The amount of communication distributed to the community is deemed 'perfect', and overall communication is useful and of quality.

Below are some action items the school will put in place for 2023.

Yearly events:

- Google calendar will continue to be maintained.
- A yearly calendar for the upcoming year will be sent out at the end of the year prior, with updates issued at the end of each term (or beginning of next).

Fortnightly Level Newsletters:

- A new mode of communication this year and have proven successful.
- Teachers will look to include photos and consider ways to disseminate curriculum information to support student learning from home.
- Additionally, teachers will ensure consistency around dates and events between these level curriculum newsletters.

Social media:

- The school will ensure what is posted on social media covers all levels and curriculum areas.

Thank You

On behalf of St Vincent de Paul I would like to extend a BIG thank you to all of our families for your generosity this Christmas. The food and Christmas items donated will surely make Christmas a special time for some families in our community.

Filming Onsite

We have had an exciting week at Holy Family!

Melbourne Archdiocese Catholic Schools (MACS) selected our school to film their advertisement which will be aired over the Christmas break during Carols by Candlelight and in cinemas.

Our School Captains had the privilege of meeting our MACS Acting Executive Director Dr Edward Simons and the opportunity to view filming in progress and speak to some of the

crew.

Thank you for your understanding with 'Kiss and Drop' being closed for two days.

End of Year Mass

Everyone is invited to come along and celebrate the end of the 2022 school year at our Mass on Tuesday 13th December at 9:15am.

Community Christmas Carols

We are looking forward to everyone joining us this afternoon to celebrate the end of the 2022 school year with our Community Christmas Carols from 3:30-5pm. Families are encouraged to dress up in the Christmas theme and bring along a picnic rug and afternoon tea to share as they sing along to our Christmas tunes in our quadrangle. If it is raining then we will relocate to the Church.

Final Assembly

We invite current families to join us at our Final Assembly on Thursday 15th December at 2pm. Please note that this is not an event for secondary students whose families have left the school to attend. These children will be asked to leave.

Christmas

Christmas for my family will be a time of 'togetherness'. A time of love, joy and hope. We will gather to support each other as it will be our first Christmas without my gorgeous dad. I wish each of you a Holy Christmas and restful break and hope that you have the opportunity to be together to celebrate and share memories.

Spirit of Christmas

St. Joseph's Catholic Primary School in Rochester has been heavily impacted by the recent flooding so our staff have donated a variety of items to create 'care' packs for the staff at this school.

I sent a photo to the Principal of the school on Saturday morning and she said that this is what her staff needs right now. There have been up to 7 teachers and many students off with COVID in the last week.

Staff and students are boarding buses from Rochester to attend school in either Elmore or Bendigo each day. Travel times of up to 110 minutes return trip before and after school.

The staff and families in this school have been displaced twice (home and school). Please keep this Catholic community in your prayers as they near the end of this year with

uncertainty leading into 2023.

Thank you to our caring staff for being people of action to help others in need.

2023 Medical Action Plans and medications

Action plans have been sent home with students who require an anaphylaxis, asthma, allergy or other medical plan. We ask that these are completed during the holidays before returning to school, and the original copy sent home is returned to school either before the first day of school or before. Medication will also need to be sent in (in original packaging) and clearly labelled. All medications stored in the first aid room this year, will be sent home next Thursday.

FROM THE REL Miss Lauren Considine

I have been putting off this newsletter item for a few weeks now. Not ready to put pen to paper, so to speak, knowing that it was the last time I would share a reflection with this community. So before I get started I need to begin by saying thank you! Thank you for taking the time to get to know me, thank you for entrusting me with your children as their teacher and faith formation coordinator. I have been putting off this newsletter item for a few weeks now. Not ready to put pen to paper, so to speak, knowing that it was the last time I would share a reflection with this community. So before I get started I need to begin by saying thank you! Thank you for taking the time to get to know me, thank you for entrusting me with your children as their teacher and faith formation coordinator.

Most of you wouldn't know that when I arrived I was searching for a family- and I found it with you all. I had just lost my dad, finished my Masters and left a school I really loved on the gut feeling that I needed a change. *because there hadn't been enough happening in my life at that point!*

I walked through the doors and felt at home. Then kids welcomed me with open arms, just as the parents and staff did, and I knew that there was something special about this place! So while it is hard to say, it's now time to say goodbye again and start a new adventure closer to home and away from the Monash! So what pearls of wisdom do I have for you all before I depart?

This week's Gospel asks the question... 'Are you the one ... or must we wait?' While reading I reflected deeply on the word 'wait'. Life is all about waiting! While we often like to control the

situations in our lives, sometimes we can't. A few weeks ago I had to have the tough conversation with Julie that I was taking a job elsewhere for 2023. There were tears!! And while it would have been easy to stay here, in a place I love, where I see potential and worth, the road less traveled can be pretty amazing too if we have the courage to pursue it. After making an extensive mental pro-con list I chose to be brave and to trust that God has a plan- even if I have hesitations. So for whatever lies ahead for each of you, I pray that you will all have the courage and faith to do the same in the future.

Advent invites us to be more perceptive, to take time out to see the presence of God with us. The psalm this weekend says, 'Look! Your God is coming to save you.' Look within your own life, your family, your workplace, your neighbourhood and recognise the sure signs of God's presence. Take care, enjoy the festive season upon us and may life be kind to you all in the future.

God bless,
Lauren Considine

Items to bring from home

Prep- Year 4

Booklist items for students in Grades P-4 (2023) will be 'bulk ordered' and delivered directly to the classroom. Charges for these will be added to the 2023 curriculum levies,

so no payment is required this year.

Years 5&6

Booklists for students in Grades 5&6 (2023) will be part bulk ordered by the school (charges for these will be added to the 2023 curriculum levies). There are also stationery items that may be ordered through Campion or purchased from another supplier (some items on this list may be carried over from previous years).

Please find the book lists attached of items that need to be purchased for Year 5/6 2023 students.

Year 5&6 orders need to be completed online and finalised by Friday 14th December if ordering through Campion books.

School Advisory Council

Parent feedback is vital to improve and evolve key school processes and enhance each family's school experience. Thank you to those families who completed our second Termly Parent Survey at the beginning of this term, which focused on Communication.

Below are the forms of communication currently used, together with their purpose:

- **SkoolBag App** - for information, updates and reminders about school and Parents & Friends activities
- **School Google Calendar** - all events/activities listed and accessed through the school website
- **Operoo** - for important school information regarding school activities requiring parental permission or a response
- **School Fortnightly Newsletters** - important information/updates on all school activities
- **Level Fortnightly Newsletters** - information on all classroom learnings for the period
- **Class WhatsApp Group** - parent run groups to provide reminders on school events

Effective communication is important to any school. Holy Family want to continue to ensure our forms, mode and timeliness of communication is most useful to our community, and the

overall quality of communication is at a high standard. In doing this, our community will stay connected and valued.

The Survey was open for nearly 5 weeks, closing on Friday 14th October 2022. In order to assure anonymity, responses were analysed as aggregate data and not at the individual level. The analysis presented therefore does not identify any one person or family.

Survey context

Responses were received from 20 families at Holy Family. These were evenly spread across Yrs 1-6, with 1 response from Prep. Families who started in 2018 had the highest response rate (6 out of 20).

Key takeaways and action items

Skoolbag, Operoo and whatsapp groups are the most popular and most highly valued forms of communication. The amount of communication distributed to the community is deemed 'perfect', and overall communication is useful and of quality.

Below are some action items the school will put in place for 2023.
