Miss Stephanie Italiano- sitaliano@hfmw.catholic.edu.au -Thursday & Friday

12SG

Mrs Chantelle Santamaria - csantamaria@hfmw.catholic.edu.au - Monday to Thursday

Mrs Beverly Gilbert - Fridays

12J

Mrs Samantha Johnstone - slong@hfmw.catholic.edu.au

1/2 NEWSLETTER Term 1 Week 5 & 6

<p>BIRTHDAYS</p> 	<p><u>RECENT & UPCOMING BIRTHDAYS</u></p> <p><u>MARCH</u></p> <p>Hazel - 3rd Aariana - 5th Zoe M - 8th Elise - 10th Dominik - 17th Chiara - 19th Keira - 24th Eleanor B - 24th Isaac - 29th Will L - 30th Lauren W - 31st</p>
<p>RELIGION</p> 	<p>TOPIC: Lent & Forgiveness</p> <p>For the rest of Term 1, students will be exploring and learning about the themes of forgiveness and kindness. They will have a chance to read about stories in the bible that teach us about Lent being a time of change when God helps people grow to be better. The children have also made Lenten Promises that they will endeavour to complete during the next 40 days.</p> <p>Towards the end of the term, students will learn about the different days leading up to Holy Week, as well as the significance of Holy Week in our Catholic faith.</p>
<p>LITERACY</p> 	<p>LITERACY FOCUS:</p> <p>Reading: Sequencing</p> <p>Students are learning about the importance of sequencing and why it is important to retell events in a story in the order in which they happened.</p> <p>Students will be looking at predicting what a text is about and then discussing what events took place in the story.</p> <p>Writing: Recounts</p>

Over the next few weeks, students will look at the structure of a recount and analyse the different parts. This also ties in with our Reading focus on sequencing, as students will need to retell events in their lives in the order they happened. Alongside this, students will also focus on developing their sentence structure and punctuation.

MATHS
12345
67890

TOPIC: Place Value

We are moving towards our next unit of Number, where students will learn about Place Value. We will be developing our confidence with forward and backward number sequencing, skip counting, and reading/recognising and ordering numbers up to 4-digits.

INQUIRY

TOPIC: HEALTH

This term, students will explore Healthy Choices and what it means to be healthy. They will also learn strategies they can use when they need help with a task, problem or situation at school or home. Students will also explore how their actions can help make the classroom safe.

UNIFORM

TERM 1: SUMMER UNIFORM

This term, students will need to wear their summer uniform, which consists of dresses, shorts, polo t-shirts, black school shoes, green socks, and most importantly - a hat!
